

J. SIKILE SCHOOL
Royapeta, NARSAPUR - 534 275

17 November 2015
No.08499

Dear Parent/guardian:

We wish to inform you with deep concern that our student **ADIDELA KEZIA, Std.I-C** aged 5 years residing at Stationpet, Narsapur is recently diagnosed with **BLOOD CANCER – ACUTE LYHPHOBLASTIC LEUKAEMIA**. The child is now admitted at the **C.M.C. Hospital, VELLORE** and the estimated cost of the treatment is over **Rs.5 lakhs**.

Kezia was one among the Kindergarten Graduates-2015 and her picture is on Pg.66 of the school magazine "Into Light" 2014-2015. Her classmates and teachers visited her on 04.11.2015 and presented her with "get well" cards before she left to Vellore.

Kezia's father Mr. A. Ramesh took a loan and went to Kuwait 3 months ago but had to return immediately due to the serious ailment of his daughter. Her Parents and Grand Parents are making an earnest appeal for your generous contribution to enable **KEZIA** to undergo this expensive treatment for **BLOOD CANCER** at Vellore. They have addressed the school staff on 14.11.2015 and students of Std.IX-XII on 16.11.2015

Please note that **J. SIKILE ALUMNI ASSOCIATION** will match your contribution and the total amount will be handed over to the parents. Your valuable contribution may be paid at the School Accounts Office. The list of donors will be updated on our School Website www.jsikile.com.

You are requested to remember this child **KEZIA AND HER FAMILY** in your thoughts and prayers for the Divine healing, guidance and comfort during these difficult days.

Yours faithfully,
J. SIKILE SCHOOL
