- A greater sense of personal competence and efficacy for learning
- Greater engagement in school work
- A stronger belief in the importance of education.

10 Ways To Help Your Child Do Well In School

1. Show you care. Your child needs hugs and words of support. Ask your child about school each day.
2. Read, Read, Read. Read with your child or have him or her read every day. Make it fun – talk about what you've read.
3. Make home a place for learning. Help your child practice reading, writing, maths, and science skills. Stimulate your child's creativity.
4. Promote healthy habits. Make sure your child gets plenty of sleep, exercise and eats balanced meals. Children need the right amount of sleep to be alert and ready to learn all day. Most school-age children need 10 to 12 hours of sleep a night. TVs, computers, video games, after-school activities, as well as hectic family schedules, can contribute to children not getting enough sleep. Lack of sleep can cause irritable or hyper types of behaviour and might make it difficult for the child to pay attention in class. It's important to have a consistent bedtime routine, especially on school nights.

5. Be a role model. Your child learns from you. Be positive about education and how you enjoy learning.
 6. Encourage independence. Allow your child to make mistakes and learn to accept their consequences. Give your child responsibilities, such as household chores.
 7. Create a study routine. Set a time and quiet place for your child to work every day. Go over homework together.
 8. Get involved. Meet with your child's teacher, attend school events and help out at school if you can.
 9. Build success. Help raise your child's self-esteem by setting reachable goals and praising your child's efforts, not just results.
 10. Make school important. Insist on good attendance and punctuality.
18. **HELPPESK:** You may contact the **Coordinator** at the Helpdesk for any further clarification regarding the various points in this circular or other information during the School office timings. If you wish to meet the **Principal / Vice-Principals / Head Teachers / Teachers**, please note that the visiting hours are from **04:00 P.M. to 05:00 P.M.** on all working days.

We solicit your cooperation for better and effective functioning of the Academic and Non-academic activities of the school.
